

29 March 1956

MEMORANDUM FOR: SSA-DD/S
THRU: OL/Supply Division
SUBJECT: Disposal and Replacement of Mathes Air Conditioners

25X1A6A 1. It is requested that approval be granted the Chief of Station, [] to replace the Mathes Air Conditioners on hand which cannot be repaired locally. This will result in the replacing of approximately 12 units.

2. These air conditioners have given this station and other stations having this type air conditioners difficulty ever since they were initially installed and as a result personnel have experienced extreme discomfort during the long hot season.

3. It is suggested that on future procurement of air conditioners for this Division that the Mathes equipment not be furnished due to reasons noted above.
